

COLUMBIA PARC

is proud to announce our recycling program partnership with Phoenix Recycling!

Please take a moment to read below to learn what materials can and cannot be placed in the recycling bins located inside of the dumpster enclosures. If you are in doubt, please call the leasing office at 504-284-4769.

Interesting recycling fact: Recycling one aluminum can saves enough energy to run a 100-watt bulb for 20 hours, a computer for 3 hours, or a TV for 2 hours, (EPA, 2008)
a 100-watt bulb for 20 hours, a computer for 3 hours, or a TV for 2 hours. (EPA, 2008)

	We Can Take	We Cannot Take
Plastic	Containers #1 - #7	Plastic Bags or Styrofoam
Cans	Aluminum or bi-metal (or tin) cans	Aluminum foil, food trays, wire hangers, scrap metal of any kind
All materials can be co-mingled into a bin of your choice.		
Paper	Newsprint, office paper, shredded paper, magazines, catalogs, junk mail, phone books, cardboard product packaging, windowed envelopes, paperback books, and hardback books (covers removed).	Avoid paper with a heavy moisture barrier, such as milk cartons, frozen food packages, dog food bags, and copier paper ream wraps.
Cardboard	Completely flatten cardboard boxes and place under or next to bins.	
Glass	WE CAN NOT TAKE GLASS OF ANY KIND. We had to stop in November of 2008 due to lack of markets in the region. It's a problem Nationwide. We are working on alternatives.
